

Livestock Supplement

If you're a Fonterra farmer, provide monthly statements for the year and your annual statement of holdings as at the end of the financial year.

If you personally consumed any farm produce during the year, please advise details and the estimated GST excl. value.

If you had any purchases made on deferred payment terms (i.e. fertiliser, feed) during the year, please advise details.

If you provided rations for employees during the year that were not purchased through a trading account, please advise the number of days and the number of employees you provided rations for.
