

Working for Families Tax Credit Supplement

Please note, we can only provide an estimate of your Working for Families Tax Credit entitlement. The final determination of your entitlement is made by Inland Revenue.

Provide details of all dependent children in your care during the year.

Full legal name	Date of birth	IRD number

Did you have a dependent child that left school during the year?

If yes, please advise the date they left school.

Did you receive working for families payments during the year?

If yes, please advise whether payments were from Inland Revenue or Work and Income.

Did you receive from or pay to a former partner any child maintenance during the year?

If yes, please advise amount received or paid.

If you have a partner and we do not prepare their tax return, please advise details of their income during the year.
